

# Virtual Workshop for *Exploring Reading* Notetaking Guide

#1

Take a moment to summarize the pieces in *Exploring Reading*. Try to capture it in 5 words or less.

Kit Component	5-Word Reminder
Teacher's Guide	
Best Practices Guide	
Assessment Guide	
Student Guided Practice Book	
Diverse Texts	
Strategy Posters	
Digital Platform	

#2

What does it mean to teach with “Big Ideas”? How will this engage your struggling students?

---

---

#3

Examine the 8 comprehension strategies in this series. Which ones do your students struggle with the most? What is their biggest stumbling block with this strategy?

---

---

#4

In looking at the Nonfiction Readers, what text features do you notice?

---

---

# Virtual Workshop for *Exploring Reading* Notetaking Guide

What part of the nonfiction lesson plan will be the most challenging for you to implement?

---

---

---

#5

STOP AND DO

In looking at a set of text cards, what will the teacher be doing in the lessons? What will the students be doing the lessons?

Teacher	Student

#6

STOP AND DO

Examine a Culturally and Linguistically Responsive strategy in the Best Practice Guide. How will this support students in your classroom?
